**Tumuaki Message...**

Nāu mai, hoki mai ki te wahanga tuatoru. Ko te manako ia, kua tā pai, e ora ana koutou katoa.

**Mid Year reports**

Mid year reports we will be sent home this Friday. Interviews will take place in the week of 29 July - 1 August. We will contact each whānau in this to schedule interview times.

**Teaching staff timetable changes**

From this week, Whāea Laela will be teaching full days on Monday and Tuesday. This enables us to continue to improve how we deliver teaching and learning.

**The Fire Fair**

You will have seen advertising about the Fire Fair at Waitaruke on Saturday 3 August. We have been offered an opportunity to hold a kai stall at the event from 10-2pm. We are therefore looking for help on the day and asking our whānau to donate a cake/sweet item for the stall. We will be selling a mix of hot food and sweets. If you are available to help at any time during that day, please contact our office on 40516673 or email through to Whāea Ness [office@tekamura.school.nz](mailto:office@tekamura.school.nz).

**Raranga Matihiko – Weaving Digital Futures**

Raranga Matihiko is a Digital Technologies Project delivered through Te Kōngahu Museum of Waitangi. The project works with schools to inspire and motivate learners to use digital technologies to tell stories about their past, present and envisage the future.

This term, we have enrolled our tamariki to participate in the project. The dates are 5<sup>th</sup> and 6<sup>th</sup> September. The project is funded so there is no cost for tamariki. Please sign the attached consent form for permissions to use photo and film footage, complete the permission slip below and return by Friday 2 August.

**Student Absenteeism**

Student attendance has greatly improved – thank you whānau. We are aware of the havoc the cold weather is playing on our health. If your child is away, it is a requirement that the school is contacted and/or the tamariki return to kura with a note.
