Pānui #12 – 9 September 2019

Tumuaki Message...

There has been lots to celebrate this middle half of term. Firstly, our ERO visit was really positive. A report from ERO will be coming out to you shortly.

Cross Country was a highlight for us last week. All children placed between 1-6th place received a certificate! Mihi atu ki a Totara North – thank you to Totara North for hosting a wonderful event.

Kura Website

We have nearly completed stage 1. The page should go live by the end of term. I will post up the link on our Facebook page when it does.

Kapa Haka

Kapa Haka practice takes place each Friday – if you have any free time, come along and join in the fun 😊.

Homework

Reading is a key component of our homework programme. This means that your child reads with you every night for 10mins. Books should be coming home from kura. If you would like extra books at home, we have plenty here that you can come and collect.

Waka Ama

Waka Ama starts Week 1 Term 4. Whāea Jess will send out a pānui with details.

Festival Whānau Hui

There is a whānau hui for the organisation of the Festival on 25th September at 3:30pm. This is one event where we need all our whānau support. We look forward to seeing you then.

Whangaroa College Open Night

Sarah and I attended the Whangaroa College Open night. The evening was informative and gave us an opportunity to catch up with the acting Principal and teachers.

Arts Extravaganza

We are two weeks from our fundraising event. Our Facebook has the link for the Auction page, please share the page with your whānau and networks.

In addition to the Art Auction, which goes live on Monday 16 September, there will be other art available to purchase on the night. Artwork and items include photos, crayon art, chalk/dye/paint art, rongoa kits, plants and more. Cash only.

We need help on the night to set up and with the kai. Please, let Whāea Laela know where you are able to help. A Facebook post will come out for the food items we need. Food pre-orders will start Monday 9 September, a pānui will follow.
