### Kura News

#### Start of Year Information

The start of the new year is always an exciting time for tamariki. Some gentle reminders for whānau to help your tamariki have the best start to kura. Please check your children have the correct uniform. Shorts and polo shirt with our kura logo, no long pants or jerseys with this hot weather.

School bags need to be an appropriate size, big enough to hold their pouaka kai, books and clothing.

We are a 'Para Kore' school and we are encouraging all our whānau to help us reduce landfill rubbish coming to kura. That means, eliminating (where possible) all kai packaged in foil and plastic from your children's pouaka kai. Thanks to whānau who are making this change. As always, your our support is appreciated.

#### Term 1 dates

The kura calendar has been updated. Please check our website for Term 1 events. Remember you can also upload the website to your device.

Waka Ama and Swimming start this week. Tamariki need to bring their swimming gear on Tuesday and Wednesday.
